I just love dressing a little wild. From shiny silver vinyl bras and fish nets, these are the things that make me feel like a woman. When I was younger, I loved the torn jeans and belly shirts, but my tastes have changed as I got older. The great thing is the way I can still look fucking hot in both.

Kennedy and AnnaBelle raise the roof

We just love it when two women get together and let us watch their private love-making. And how much better can it get when they are both beautiful with bodies that are perfectly shaped. And the passion, Oh, the passion. They do their best to turn each other on, and you too.

Dear editor,

Super sexy with supermodel looks, Britney is a sight to behold. She seems like a true blonde, with perfect boobs. To me, she oozes sex as only the Nordic babes can. I've dated a couple Swedish girls and they were uninhibited and very sexually adventurous. If I go out on a date with a girl, I know how far she's going to go by the end of the date. Women have a great advantage when it comes to dating: Pussy. All us guys chase that, If not physically, then mentally. I do, too.

– Pedro, Santa Barbara

STAR GAZING

I'm sitting at my window, in the dark, looking across the way at the 38th floor of a high-rise apartment building. I have a 130mm reflector telescope pointing straight across at an apartment with two babes who always leave their shades open, probably since they live so high up. Usually, I'm looking up at the stars but tonight I sensed some activity and pointed it at them. I feel like Jimmy Stewart in Rear Window.

I don't know anything about them so I'll call one 'Blondie' and the other 'Red.' Tonight I have my beer and a comfortable seat and I see Blondie sitting on the sofa when Red comes in behind her and immediately gives her a deep kiss. The two are in their bras and panties, but I think that's way too much clothing for what they're after. Within a few moments Red has already stripped Blondie of her bra and she runs her hands up and down her breasts and hard nipples. Then Blondie repays the favor by taking things a step further; she kisses her way down Red's body and relieves her of her panties, and then Red does it to her.

I watch as Red takes a taste of Blondie's pussy. Lying down on the ottoman, she holds Blondie's landing strip pussy in perfect licking position so that she can go down with her wet tongue. She strokes her thumbs across Blondie's clit. Next she helps Blondie onto her hands and knees. Sinking down to her knees, Red buries her face in her lover's pussy and sweeps her tongue up and down the soft folds of Blondie's pussy. Blondie's silently moans (I can see them but can't hear them), and her hips begin to buck. Red pushes her tongue deep into her Blondie's pussy.

I grab the can and suck down another sip of beer and see Red take her turn on her hands and knees as Blondie delivers a proper pussy licking. The blonde babe really gets her lover's motor running as Red quickly discovers to her delight. Once she has gotten her woman dripping wet, Blondie presses her fingers into Red's pussy, working her until she is practically sobbing with her need for an orgasm. Red goes back to work on Blondie's perfect pink pussy. Her fingers easily slide into the blonde's pussy, allowing Red to work her fingers in and out of her lover as she licks her clit with her tongue.

She knows just how to bring her lover to a body-shaking climax. Blondie isn't finished sharing the pleasure yet, though. She helps Red lie back and urges her to spread her legs for another round of incredible pussy fingering. Finally satisfied, Blondie climbs into Red's arms where they enjoy a long kiss. I can only finish my beer and point my telescope up at the stars once again.

Craig, Chicago

I took my jacket off and helped her with hers. We embraced each other and began to kiss. She ran her fingers through my hair as I pulled her closer, feeling her chest on mine.

LOVE AND LOTS OF KISSES

It took me a long time to ask Felicity out on a date, but I finally did. I would see her at the office every day, but kept my distance. She wore a wedding ring and that was a no go in my book. Last week I took lunch in at the company cafeteria and the only vacant seat was across from her. I went over and asked if I might sit down and she nodded. After several minutes of chewing and sipping, I introduced myself. She said she knew who I was and said her name was Felicity. I said I knew that, too, and we laughed.

Over the work week, we lunched together a couple more times at which she told me she was divorced but wore the ring to keep guys away. We laughed some more.

On Friday, I decided to ask her out and suggested dinner. She agreed and I picked her up at seven. We dined and talked about work and co-workers and laughed some more. I thought we hit it on, but played everything low key. I drove her back to her apartment and walked her to the door. I politely asked if I could give her a kiss goodnight and she nodded.

I pulled my lips away and noticed she was looking into my eyes. I looked into hers and somehow we knew what would happen next. She unlocked the door and took my hand, leading me inside. I closed the door behind me and she invited me to sit on the couch. I took my jacket off and helped her with hers. We embraced each other and began to kiss. She ran her fingers through my hair as I pulled her closer, feeling her chest on mine. Somehow her hips closed in on mine. While we kissed, I placed one hand on her hip, slowly stroking up and down her side, just barely allowing my thumb to graze the side of her breast each time. I put my other hand on the back of her neck and gently massaged it. This made her breathe a little heavier and moan a little. So I started to rub my hands down her back and to her butt.

She let my tongue explore every inch of her mouth and couldn't contain her feelings any longer. She stopped kissing my lips and leaned her head back. I didn't break my rhythm and started to kiss her neck. I took her face in my hands and started kissing her on the lips again. I let one hand touch her cheek and placed the other on her knee. Slowly, I ran my hand up her thigh until I was lifting up her skirt. I gently pushed her back on the couch and continued to kiss her.

I wanted to hear her moan in desire for me. She wrapped her arms around my neck as one of my hands ran up under her shirt, slowly and softly touching her wonderful skin. She finally decided to move it along because she was getting extremely horny, so she reached down and pulled off my shirt. She ran her hands up and down my chest and abs. I kept kissing her slowly though, knowing that she would soon be begging me for more.

I continued to kiss her and pulled off her blouse and tossed it to the side. I straddled her and used both hands to massage her breasts in time with my kisses. I did this for a while, enjoying listening to her moan with desire and pleasure. Then I started to kiss her neck, and slowly moved down to her chest. I stopped long enough to take off her bra, and then gently kissed the very tip of each nipple as she gasped for air. I continued down her body and kissed her stomach lightly as I pulled off her skirt and panties. I managed to undo my pants and threw them to the side.

At this point I could tell she was so horny. Everything I did to her was so slow, but so perfect. She was soaking wet, and she could see that I had an erection through my boxers. She wanted to tell me to go faster, but just at that moment I started to lick her clit. She threw her head back and moaned with joy. I knew exactly what to do to make her consumed by pleasure. I let my tongue devour her clit and she burst into orgasm and started to writhe underneath me. I moved up and started to make out with her again; I didn't want her to catch her breath.

My cock is almost fully in her mouth and I blast out another load deep inside her throat. She gags but keeps it all in and I hear her swallow in one big gulp.

While she was still recovering from her first orgasm, I took off my boxers and she saw my nine-inch-long, rock-hard, cock. She returned the favor of my oral sex. I didn't even think about wanting a blowjob, I just wanted to pleasure her. I knew that if I could give her another orgasm, she'd pleasure me all I wanted later. I started to move in and out, back and forth, but very slowly all the while. I was so big, she couldn't even think straight. I picked up one of her legs and put it over my shoulder, as I stood beside the couch and fucked her.

My huge cock went really deep into Felicity's pussy, and it felt amazing. She finally was unable to take how slow I was going, and she begged me for more. She continued to scream as I complied with her demands and she felt pleasure build inside her. I was going faster and harder and deeper than I'd ever thought possible, and she was loving every second of it. She let out a loud, high pitched scream as she hit her second orgasm. Her pussy pulsed around my huge cock but I pulled out so I wouldn't come just yet. I wanted to stay hard so I could pound her even more.

Next, I put her leg down and got on top of her again. I re-entered her and started to move very slowly. She started to learn to appreciate each and every penetration, tensing up with pleasure each time I pushed all the way in. I watched her light up with pleasure each time I thrust my cock into her. My movements found her g-spot. I let my dick gently touch it with each thrust into her pussy. I used my thumb and gently rubbed around her clit during each thrust. I started to suck on her nipple in rhythm with all the other movements. Felicity thought she was going to explode any second. At that moment I simultaneously hit her g-spot and her clit with my cock and his thumb and she boomed into her third orgasm with the most force yet. She writhed underneath me during her climax, and her pussy pulsed around my monster cock until my balls burst out a load inside her.

Her kisses were long, soft, deep and sensual, that made me warm all over, our tongues feeling each other. She kissed my whole face. Running her tongue around my ear and into it, tickling me, then down my neck, kissing and taking in the smell of my body. She worked her way down my chest to one nipple, nipping on it lightly, then to the other, teasing them. She slid down my belly, down, down she went, teasing me. I want her to get there faster but she won't. She likes to tease me. She loves to hear me moan, knowing she's making them feel so good.

Her tongue finally reaches the tip of my hard, throbbing cock. She flicks her tongue around the head then down the front till she reaches my balls and licks one of them at a time while rolling the other one gently in her hand. She licks her way back to the head that is dripping now with precum and she licks it off, running her tongue all around that engorged head again before her lips wrap around it and sucks it into her hot, wet mouth, taking it deep into her throat as far as she can while her tongue wraps around it and sucks it at the same time, always moving her tongue while sucking. I groan and writhe and lift my hips wanting her to take it all.

She sucks and licks me and teases me for what seems like an hour while her hands are playing with my balls and one finger is playing around the entrance to my ass. She can tell it's driving me crazy. I have hold of her hair, pulling it gently and gliding my fingers through it. I've waited so long for this moment as I grab her head and hold it there. My cock is almost fully in her mouth and I blast out another load deep inside her throat. She gags but keeps it all in and I hear her swallow in one big gulp. I pulled my shrinking cock of her mouth and kissed her once on the lips. We lay there naked on the couch, fell asleep and stayed there until noon the next day. Then we did it all again. It's a great Saturday.

no finer mouth or ass

Foreplay is totally underestimated as a turn on for us women. There's gotta be foreplay before sex, lots of it. Not only will it get me in the mood, but it feels really good. I must have my boobs touched and my nipples sucked on before you head down or shove your cock into my pussy or ass. That is never to much to ask of my lovers, is it?

If you've never experienced me before, you're in for a real treat. I'm deliciously bad and I'd love to make you feel better. I want you to part my pussy lips and slowly push it into my pussy. enjoying my wife's best friend...

I live in a suburb of Denver and work downtown for a marketing firm. We're the ones that send you all those beautiful full color fliers in the mail full of coupons and food offers. I hope you take advantage of them. Well, the other night I came home a little bit early only to find my wife's best friend, Louanne, sitting in the kitchen of our house without Debra (my wife) there. I thought that was a little weird, but not that unusual for her to be there – but not by herself. So I asked Louanne where my wife was. She told me she went to the grocery store to pick up food to make dinner. I said "Okay, no problem." I noticed two glasses on the counter, so they must have been drinking some wine. Louanne and I started to talk and I asked how her husband, Wayne was. She said he was at work like usual, working long hours as usual. I told her that sucks. That with a wife as pretty as her, he shouldn't be working as hard as like that. He should be home with her. Louanne blushed, looked down at the her glass and played her fingers around the rim.

Our conversation seemed to get more intimate as she mentioned that Debra was lucky to have me, too. I told her that I was happy to have her. I miss her during the day when I'm at work. I tell Louanne that I usually talk to my wife everyday from the office, and she said she wished Wayne would do the same. I told her I sometimes send her sexy text messages during the day and she likes that. Louanne laughed a little, but I could tell that it hit home. She wasn't getting the attention from her husband that she would like when he's away from the house. "You should see the ones I get from her." I said trying to continue the conversation. So I whipped out my phone and started showing her some of the sexting we do. I told her to come into the living room and I'd get my phone out of my briefcase. Louanne grabs her drink and we find our way to the sofa.

Louanne sat in the middle of the sofa, forcing me to sit pretty close to her. I found my phone and went over to her and sat down. Now I have never seen Louanne's boobs but my wife has, and she said that her nipples are pierced. Her boobs are large, and quite nice and full. I kept showing her the texts and I could feel her hard nipple against my forearm. I wondered if she was messing with me because I sensed she was getting closer to me. I kept scrolling up and when I came across a photo of Debra's pussy with her ass spread open for me. Frankly, I thought those were deleted but I guess not. Louanne said "Wow, that was quite unexpected." I quickly scrolled past it and apologized. Louanne said she had not seen my wife's pussy before she, but had seen her boobs, but that's about it. I told her that Debra told me she has seen yours and that they are pierced.

I scrolled through the texts some more and kinda mumbled that I sometimes wished Debra's where pierced. Louanne said that she liked hers that way, and that her husband loves them. I said that I would love them, too. My phone must be magnetic because for some reason

...with my wife

I moved my hand closer to her breast and I could feel the metal bar on her nipple. Then Louanne said, "Well, since Debra got to see them, do you want to see them, too?" I was floored. "See what?" I pretended. I didn't expect to hear that from her. "My nipples." she said. My reply came out almost too quickly. "I'm not sure if that's a good idea. You're Debra's best friend and I wouldn't want something like that to create problems." She replied, "It's not a big deal, They're only boobs. Every female has them." Before I could say anything more she pulled her blouse up. Then she lifted her bra and I could see them, there right in front of my eyes. It stirred an amazing feeling I had running from my head to my lower head. I immediately got hard down there.

As she pulled her top down her head lowered and she saw the bulge in my pants. "Did that little peek at my boobs make you hard like that?" she asked, still looking there. Trapped! "Uh, I was... they are... can't believe they are so big and your nipples are amazing. Then what she told me next was, I thought, a little unusual. She looked up at me, took a sip from her glass and said that Wayne was an ass man. I said, "That's unbelievable. With such gorgeous boobs and nipples like yours, he should be adoring them every minute of the day."

I think that made her blush. She took another sip of her wine. Then she put the glass down on the coffee table and to my surprise said, "Would you like to feel what they're like?" I said, "I don't know if I should. What if Debra was to walk in right now?" Louanne lifted her tops once again and said, "She'll never know, I won't say anything." With that statement, I proceeded to touch one of them and then the other. It was like a dream come true. There they were, right in front of me. Then what I did I do next? I leaned forward and proceeded to suck on one of her nipples. I noticed that she didn't pull away. It was surprisingly nice to have that tiny barbell in my mouth while I was sucking her nipple. She started to moan and I just kept on sucking her nips.

Debra had come inside and walked in on us. She saw us going at it and what she did next was totally unexpected.

Then, much to my surprise, her hand found my cock and started to rub it over my pants. I was shocked and that was making me even more hot and confused. In the meantime, we lost sight of the time and Debra had come inside and walked in on us. She saw us going at it and what she did next was totally unexpected. She stopped at the living room door and got undressed. She started to walk towards us when I noticed her. But before Louanne and I could do anything, Debra said, "I hope you're having fun, Please don't stop on my account." Louanne didn't say a word, but took off her top, her bra and stood up to take off her pants and panties. I looked around and couldn't believe what was going on around me. By now, Debra had walked over to the sofa and the two naked ladies embraced and kissed right in front of me. I don't know if my cock could get any harder than it was right now. I stripped off my clothes, never taking my eyes off them. Their hands roamed over each other's body and Debra's stopped at Louanne's nipples and began to pull gently on the silver studs. Louanne's hands found their way between Debra's legs and started massaging her pussy.

Then, again in unison, they both dropped to their knees in front of me and Debra grabbed my cock and offered it to Louanne. She started to suck my cock and then she passed it back to Debra. The two sucked, alternating between my cock and balls and I was in heaven. Then they broke it off and the two ladies fall on the sofa with Debra on the bottom and Louanne on top of her in a sixty-nine position. Now if you've never seen two ladies in this position, it's the absolute best. I got behind Louanne and began to rub her wet pussy. Louanne lifted her head from licking my wife's pussy to tell me that her pussy is reserved for her husband, but I could fuck her ass. That made me even harder, if that's at all possible. I reached down and my fingers found my wife's mouth and she licked them thoroughly. I rubbed them around Louanne's anus and wetted it down. For good measure, I added some of my spit and stuck a finger in up to the first knuckle. I replaced my finger with my rock hard cock and slowly pushed it in. I look down and see my wife eating her friend's pussy from the bottom as I was fucking her asshole. It didn't take long before I came in her ass. My wife was underneath her and saw that Louanne's ass was dripping down and she started to lick between her pussy and her asshole. I lowered my cock and Debra licked it clean while Louanne was still licking her pussy.

Soon she replaces her hands with her mouth and begins by licking Debra's pussy and clit.

The girls got up and Louanne started sucking my cock back to life. She told Debra to ride it and she got on me with her back to me. Debra's bobbing up and down on my cock and Louanne sits right in front of us and begins to play with my balls and Debra's pussy. Soon she replaces her hands with her mouth and begins by licking Debra's pussy and clit. She's also fondling my balls as Debra moans long and loud. Now her mouth engulfs both my balls. She turns her head slightly so her nose doesn't get hit, and I feel her tongue working them inside her mouth. Finally, Debra is cumming and Louanne goes to work on her clit with her hand. That sends my wife over the edge and she cums in waves.

That leaves Louanne without an orgasm. Debra and I put her down on the sofa on her back and I immediately dive my mouth into her pussy. My wife is on her knees kissing her friend and then moves to her pierced nipples and within minutes Louanne starts cumming. Her hips start bucking and to my surprise, she squirts a little pussy juice onto my face – and I love it. The two ladies lay on the sofa, spent. I gather up my clothes and head into the kitchen to put the groceries away.
